

EFP 27

Industry Electric / Harben Flushing Unit with Haskel ASF 150 Pressure pump

RENTAL

Specifications	
Length	1600 mm
Width	860 mm
Height	1500 mm
Weight	700 kg
Engine	Electric 30 Kw
Voltage	380-690 Volt, 50 Hz
Pump	Harben Type P8x20
Pressure pump	Haskel ASF 150
Fluid	Water , Oil Based and non-lubricated liquids
	If other liquids or acids, please contact Proserv
Max Discharge Pressure	345 Bar (Harben) 1035 bar (Haskel)
Max Flow Rate	48 l/min@50 bar 35 l@345 bar ( Harben) 0-1.2 l/min (Haskel)
Suction Connection	¾" BSP
Discharge Connection	½" BSP
Utilities Required	Fresh Water for Cooling . Filters:1 HC9800FKP4H, 1 HC9100FKP8H
Standard For Design	Onshore
Classification	No
Recommending	For Haskel use, recommended 60 strokes pr min
Versatility	Flushing, Pressure testing, Injection and Cleaning

**ingenious simplicity**
